TOMBSTONE, COCHISE COUNTY, ARIZONA, SUNDAY, SEPTEMBER 1, 1918

NUMBER 39

## MUST NOT BE SINGLE IDLE DOLLAR LEFT

GOVERNOR OF ELEVENTH LOAN  
DISTRICT APPEALS TO ALL TO  
SUPPORT COMING FOURTH LIB-  
ERTY LOAN AS NEVER BEFORE.

SHREVEPORT, Aug. 31.—"Arise, citizens, is a cry which must ring from one end of the eleventh federal district to the other. In this profound crisis this is the test of citizenship; this is a loan of sacrifice. We must adopt the English slogan 'Carry On.' We must lend as our boys have given and lend as they fight fearlessly, courageously, even cheerfully. When this loan is over there must not be a single dollar of idle money in the whole of this eleventh federal district. Idle money is pro-German money; to think of percentage today is mortal treason. These are some of the expressions used by J. W. Hoopes, Deputy Governor of the federal reserve bank at Dallas, executive manager of the Fourth Liberty Loan campaign at East Texas and Louisiana at Shreveport last night. The meeting was held at the Yvonne Hotel and aroused the greatest enthusiasm. Mr. Hoopes spoke in part as follows:

"This is a loan of sacrifice. We must get down to the same basis as have the French and the English people. To fight this war with our spare cash is an impossibility. We must devote to it our luxuries, our comforts, our very necessities. We must lend if necessary until it breaks us. We must lend if necessary until we have to go short even of bread. American pride dictates that we should take no other course. It is unthinkable that we should allow our European allies to beat us in bravery, sacrifice or in effort. Despite bad conditions in some parts of the territory we must, as the English people say, 'Carry On.' We must get that spirit which makes men turn from casualty lists or demands for half of their income with a chastened smile though the lips tremble. We must repeat to one another, 'Carry On.' We must lend as our boys have given. They are giving up income, loved ones, home, even life itself and we must be worthy of them.

"Your message to the wealthy man must be a firm one—extremely heavy responsibility rests upon the man who while he may be suffering through bad business conditions today yet has made money in the past. He must dig down and dig down deep, into his bank account and bear the burden that his poorer neighbors cannot bear in this profound crisis, is the test of citizenship."

The speaker outlined many details of organization to the assembled county representatives of the loan movement and called for an organization which shall be the most closely knit, the most thoroughly cooperative and effective that has ever existed in liberty loan work.

### ARIZONA IS FORGOTTEN IN MAKING 3 CENT RATE

PHOENIX, Aug. 30.—The state corporation commission and local railroad officials have learned that Arizona, New Mexico and Nevada, have been omitted from late order permitting the purchase of 1000 mile railroad tickets at the rate of 3 cents a mile. Commissioner A. A. Betts wonders "if we are a sort of black sheep out here or are in a country that God and Uncle Sam both forgot."

## COCHISE FOOD ADMINISTRATOR IS- SUES NEW RULES

The following self-explanatory ruling on wheat conservation, effective September 1, have been mailed by Robert Rios, county food administrator, to all local administrators. It should be read and fully understood by the public, as well as the dealers:

Douglas, Arizona,  
August 30, 1918.

To County Food Administrators:

As announced yesterday the new wheat conservation program will go into effect September 1. Full details are given in the accompanying press release, which we ask you to read with great care.

The new plan consists:

1. The fifty-fifty regulations.
2. The rules limiting the amount of flour sold to city and rural customers.
3. The operation of the rationing card system as applied to flour, bread and other wheat products.
4. The rules limiting the purchase by wholesale and retail dealers and makers to 75 per cent of their former requirements.
5. The hotel regulation limiting the consumption of bread to two ounces for each service.

And in addition makes certain important changes in the baking regulations, and allows dealers and manufacturers to have sixty days' supply of flour on hand instead of thirty.

While it is intended that the new "Victory" mixed flour, shall take the place of standard wheat flour, pending the time when such Victory flour shall be placed on the market old stocks of wheat flour must be sold on the following basis:

The dealer selling standard wheat flour must carry in stock either corn meal, corn flour or barley flour, one pound of which, either alone or a combination must be sold with every four pounds of wheat flour.

At the option of the customer the dealer may also sell, if he has it in stock, any of the following substitutes at the same ratio of one to four:

Kaffir, milo maize and flour, flour and meal.

Rice flour, oat flour, peanut flour, buckwheat flour, potato flour, bean flour.

Pure rye flour or meal may be sold as a substitute in the proportion of two pounds of rye to three of flour.

### TO SET CASES

There are many matters, civil, probate and criminal up before Judge Lockwood of the Superior Court today, occupying most of the day, with almost every attorney in the county present.

On insanity case was also heard, while County Attorney Ross asked that citations be issued for the appearance for arraignment and setting of their cases on Saturday, September 7th:

R. D. Pennington, charged with introducing liquor.

T. Williams, transporting.

Maria Dunn, selling.

Ramon Rios, rape.

John Geimle, transporting.

Frank Martin, transporting.

Frank Massinghill, transporting.

Fafael Chavez, transporting.

Philip Garcia, buying stolen property.

J. N. Gosslin, introducing.

R. S. Highfield, rape.

Elmo Wilson, assault with deadly weapon.

Maria J. P. de Rocha and Anastasio Morzeris, adultery.

Herlinda Cruz, selling.

Wiley Bolden, transporting.

William Boyle, transporting.

Jas. E. Kelly, assault with deadly weapon.

Mrs. Fred Schmidt, running confidence game.

Will Boyle, grand larceny.

Ignacio Cordova, and Gonzalo Lopez, transporting.

Isias Perez, rape.

## MARRIAGE LICENSE RECORD BROKEN WITH 98 ISSUED IN MONTH

That the record for the issuance of marriage licenses in Cochise county has been broken during the month of August was shown on examination of the marriage record in the office of Clerk J. E. James of the Superior Court. During the month ending with today an even 98 marriage licenses have been issued by Clerk James.

Any who hands out the blue tickets and with the filing of the 98th license this afternoon the record which has stood at 93 had been broken.

In many cases the licenses have been secured by soldiers, and most of the other cases the men are leaving for the army. The following were issued during the week:

Vincent Scott, Fort Hill, Okla., to wed Fannie Watson, Douglas, Jules Navarro to wed Maria Grilalva, Paradise; Miguel Matz to wed Felecia Ramos, Lowell; Manuel Guerra to wed Mariana Valenzuela, Lowell; Robert E. Gunn, Fort Huachuca, to wed Armella B. Murphy, Columbus, Georgia; Yaniel Corona to wed Victoria Escobosa, Douglas; Robert A. Renfrew to wed Mary E. Alexander, Bisbee; Mauro L. Garcia to wed Mercedes Aviles, Douglas; Samuel T. Williams to wed Amelia Copeland, Douglas; Fred Melton to wed Mary Ella Devitt, Douglas; Harry Rothas to wed Mary Evelyn Wilson, Bisbee; Augustine Yeary to wed Zude F. Cotton, Elgin; Isaac L. Moore, Ft. Huachuca to wed Mattie Welch, Bisbee; Romulo Leyvas to wed Francisco Soto, Bisbee; Juan Alvallo to wed Porfiria Tagamante, Bisbee.

A. J. Cleveland, non-support children.

Antonio Aguirre, grand larceny.

Alfred W. Bedford, grand larceny.

Bob Paige, transporting.

Cabino Ornelas.

Cleve Irby, transporting.

Ernie Johnson and F. R. Edwards, transporting.

T. B. Colwell and T. A. Ashbey, transporting.

A number of defendants in appeal cases from the J. P. Court and police court of Bisbee and Douglas, were also cited for Saturday.

## U. S. APPROVAL OF HIGHWAYS IS NOW NECESSARY

WASHINGTON, Aug. 30.—The United States highway council yesterday made public its regulations, effective Sept. 16, governing highway and street work during the period of the war. Federal approval is required for practically all highway construction.

"No manufacturer," the council's announcement says, "will furnish any road building material until the project has been approved by the United States highway council."

The proposed work that should be first submitted to the United States highway council through the appropriate state highway department is defined as follows:

"All proposed highway, street, culvert and bridge construction, reconstruction and maintenance involving: (a) the issuance of bonds; (b) the use of rail or water transportation; (c) the use of coal or oil as fuel; (d) the use of cement, brick, asphalt, oil, tar, crushed stone or steel (also sand and gravel where shortage exists as highway material)."

The council urges that new highway and street construction be confined to most essential needs, and announces that it will give first consideration to the maintenance of highway already completed. Reconstruction is to be favorably considered only where it is clear that maintenance is no longer possible except at prohibitive cost.

### Military Roads First

New construction, it is announced will be given consideration by the council in the following order:

First, highways and streets of military value, used regularly for the transportation of military supplies in considerable quantity, for the movement as an established practice of army-truck trains, or essential to the efficient operation of a military cantonment, post or plant; second, highways and streets of national economic value, serving directly to promote the national welfare and not merely local welfare; third, unfinished contracts involving contractual obligations (incurred prior to April 5, 1918, where bond issue is involved).

(Continued on Page Eight)

## SUTTER GAINING SECOND CHOICE IN GRAHAM COUNTY

Captain C. B. Kelton, who was a member of the constitutional convention from this county, is now located at Safford, county seat and metropolis of Graham county, writes as follows:

"When we met a couple of months ago I expressed myself as being in favor of Moore for governor; since he has retired from the contest I am free to exercise by own judgment as to who of the remaining candidates are best qualified to serve the best interests of the people of the state.

"Sutter's qualifications for the governorship are pre-eminent superior to any man whose name is before the people for this important position at this time. Believing that his administration of the affairs of state will bring to the people of Arizona that much needed relief from a mad administration of our state affairs.

"The impression has gone forth and has prevailed here at Safford that Graham county would make Sutter her second choice. I have quietly talked with thinking men here, and I can detect a strong undercurrent setting in for Sutter and I look for him to carry the county."

### URGENT CALL FOR TELEGRAPH OPERATORS

Special authority has been granted by the War Department for the induction of men classified for general military service and qualified as American Morse and radio telegraphers; also a limited number of cable splicers. Men so inducted will be assigned to organizations already formed and ready for overseas duty.

Telegraph operators now, as in 1917, are worth their weight in gold to their country. Their services are required right now. If you are an operator—either wire or radio—send your name to the Department Signal office, Western Department, San Francisco, California, and you will receive papers to fill out that will place you where your services will be appreciated and of greater value than in any other branch of the service. Act now while your country calls.

JAMES E. HAGUE.

## SHOT IS CAUSE OF PANIC AT NO- GALES YESTERDAY

NOGALES, Ariz., Aug. 30.—A rifle shot was fired on the Mexican side of the border in Nogales, Sonora, late tonight, causing the sentry along the American side of the international line to take to cover. Investigation revealed that the shot had not been fired across the border and was probably caused by the accidental discharge of a rifle in the hands of an inexperienced Mexican soldier. No further shots were fired.

An additional infantry regiment arrived here today from San Francisco and went into camp at Camp Steven Little in the Tucson-Nogales turnpike. The troops were en route to Nogales when the shooting occurred Tuesday and their arrival had no connection with the shooting of Tuesday afternoon or the sniping of Wednesday night.

Their presence here resulted in the dissipation of whatever fears the more timid residents of Nogales had and it is now agreed that all danger of another clash is passed and the border incident of Tuesday is closed.

An aftermath of the Tuesday shooting affair was witnessed today when the military funerals of Capt. Joseph D. Hungerford and Lieut. Luke W. Loftus were held here. The bodies of the two officers who were victims of Tuesday's affair were accompanied to the station by a military escort of negro and white troops while a military band played the "Dead March" from Saul, and hundreds of soldiers stood at attention while the women of Nogales covered the caskets of the dead officers with clusters of flowers gathered from their yards.

The body of Captain Hungerford was returned to Washington for burial in the Arlington National cemetery. That of Lieutenant Loftus, who died from wounds received in Tuesday's engagement, was sent to Dolores, Texas, for burial.

Quiet prevailed tonight along International avenue the boundary line and except for a number of bullet shattered windows in the stone custom house and the presence of negro sentries at the railroad crossing to Mexico, no evidences of Tuesday's skirmish are to be seen. Cavalry squads ride outposts and guards halt incoming and outgoing automobiles on the main roads, but there was no excitement and little interest in the international situation.

In Nogales, Sonora, few soldiers were visible from the American side.

The rumor that there were large bodies of Yaqui Indian reinforcements south of Nogales, Sonora, is now considered as purely a myth.

### TO UNIVERSITY

Eighteen drafted boys who leave for Tucson tomorrow morning, where they will go into training at the University training camp, reported to the Local Board this afternoon and will be entrained tomorrow morning at 9 o'clock. All who were previously listed to go will entrain tomorrow for the camp with the exception of C. P. Giragi, one of the owners of The Prospector, who will remain until Tuesday before reporting to the camp, owing to his being unable to secure a linotype operator to take his place until that date. Following are those who will go:

28 Rollin B. Chambers, Tombstone.

50 Otto John Bauman, Douglas.

64 Thomas Conger, Douglas.

66 Columbus P. Giragi, Tombstone.

93 Bowman C. Stephens, Douglas.

113 Herchel Boren, Bisbee.

149 Frank Gray Landrum, Bisbee.

185 Joe Redfield Hanson, Douglas.

181 Geo. Z. Rogers, Douglas.

206 Wm. F. Higgins, Douglas.

213 Geo. Carl Holtane, Douglas.

214 Edw. P. Nicholson, Bisbee.

214 Stanley R. Wright, Bisbee.

219 Flimen E. Rice, Sorsos.

222 James W. Murray, Tucson.

3070 Oscar C. Rudig, Hagerman, N.

46294 Miles Woods Abram, Tucson.

462419 J. C. Encinas, Tucson.

## COCHISE COUNTY BOARD OUTLINES NON-ESSENTIALS

FIRST MEETING OF THE COCHISE  
BODY OUTLINES PRINCIPLES  
AND LISTS OF BUSINESS FIRST  
CALLED UPON FOR DUTY.

The Cochise county labor board, at a most important meeting, held yesterday in Douglas, decided upon the non-essential industries for this county in making its most urgent call for unskilled labor for war work. Cochise is expected to furnish over 500 unskilled laborers at once for war industries. Every idle man in the county and every man engaged in a non-essential industry as listed by the board is expected to enroll with one of the board's agents at one of the many enrolling places in the county at once.

The following are the non-essentials as listed by the board:

Automobiles, other than licensed stage lines, and also others, washers, salesmen and lesser help around garages.

Drivers of jitneys and for hire cars.

Bath and barber shop attendants.

Brokers.

Bowling alleys, billiard and pool halls.

Bottling works, candy manufacturers and cigar and tobacco stands.

Cleaning and dyeing works.

Dancing academies.

Restaurant and hotel employees.

Fruit and flower stands.

Junk dealers, delivery and sale stations.

Pawnbrokers, peanut and popcorn stands, shoe shining shops and window cleaners, soft drink establishments.

As regards mercantile establishments, while these are classed as non-essential by the national government, the local board did not so class them at this time. Of course no men are wanted from the mines or from railroad service, as that would only be robbing Peter to pay Paul. It is strongly urged by the board that all employers of labor use the U. S. employment service whenever possible. It is also urged upon all employers to use female help in every way and in every place possible.

ing at Douglas were: L. B. Doane, state examiner; James H. East, chairman; for labor, R. J. Wilbert; for employers, W. H. Webster, assistant superintendent C. Q. Smelter at Douglas, acting in place of Manager Clark. The enrolling places for the U. S. employment board in the Warren district are at the French soft drink stand on Main street and at Pop's paint shop on O. K. street and in Union Labor hall.

Mr. Doane, who is examiner for the department of labor for rima, copper, Graham and Greenlee counties, said last night:

"We wish to urge upon every unemployed man and all those engaged in the non-essential industries, that they register at once with O. S. French at his soft drink stand on Main street. We wish to ask co-operation of all business men in this matter, to see that their employees register. This is urgent as we expect orders to come in at any time for Arizona to furnish her quota of 2440 men, of which Cochise county must furnish 525.

"It is the intention of the state and county boards to disrupt business conditions as little as possible. The men should register, then return to their normal employment until they are called upon to do something else."

### LIEUT. KARL HOHLMEIER DIES IN FRANCE

PHOENIX, Aug. 30.—Included within the toll the war is taking of Arizona men is the late death in the Tonn section in France of Lieut. Karl Hohlmeier, formerly of Chandler. He was an instructor in the aviation corps and was flying with a pupil when his machine went out of control.
